

ImmuneResQ™

AUSTRALIAN SUPERFRUIT DAILY BLEND

Kakadu Plum + Davidson Plum + Monkfruit

Developed by Nature. Refined by Science.

ImmuneResQ™ combines Kakadu Plum and Davidson Plum with Monkfruit to create a distinctive Australian superfruit blend featuring vitamin C, polyphenols and naturally derived sweetness.

DAVIDSON PLUM

- Rich in anthocyanins and polyphenols
- Antioxidant-rich native Australian fruit
- Supports everyday wellness*
- Distinctive phytonutrient profile

KAKADU PLUM

- Exceptional natural source of vitamin C
- Rich in phenolic compounds and antioxidants
- Research supports anti-inflammatory potential†
- Supports normal immune function*

MONKFRUIT

- Nature-derived sweetener
- Provides sweetness without added sugar
- Contains naturally occurring antioxidant compounds
- Complements the superfruit flavor profile

KAKADU PLUM: ANTI-INFLAMMATORY POTENTIAL

Kakadu plum (*Terminalia ferdinandiana*) is rich in vitamin C and phenolic compounds studied for antioxidant and anti-inflammatory activity. Published laboratory research has reported effects on inflammatory markers and oxidative stress.†

Nature's chemistry. Modern scientific investigation.

SIMPLE. DELICIOUS. VERSATILE.

Mix with water, juice, yogurt or your favorite smoothie. Enjoy as part of your daily wellness routine.
